## Common Dog Training and Care Supplies

The below list is for our client's convenience only! Please note that we do not endorse or recommend any specific products, processes, or services that should be recommended by your veterinarian or groomer, and we are not liable for services/products you chose to receive or decline from them.

### Training:

- Non-Retractable Leashes:
  - 6ft. Kong or EZ Walker Dog Leash with Double Padded Handles
  - 2ft. Padded Handle Dog Leash: Commonly used with working service dogs; Dexil Limited sells them with different prints on leash (service dog, training, nervous, etc.)
  - 20ft. non-retractable leash: used in training with distance
- Training Assistance Tools:
  - Kong Comfort Control Grip Padded Dog Harness: Attach to the back or chest of dog's body
  - PetSafe Gentle Leader: Stops excessive leash pulling with face control
  - Portable Collapsible Food/Water Travel Bowl: Outward Hound
  - Outward Hound or barkOutfitters Hands-Free Treat Bag: Can be used as a small hands-free attachment
  - Outward Hound or barkOutfitters Dog Treat Belt: Carry all training tools around your belt; Outward Hound fits a correction spray bottle or water bottle
- Treats: *Avoid common dog allergy ingredients: corn, wheat, gluten, soy, beef and by-products*
  - Blue Buffalo Wilderness Trail Treats Grain-Free Wild Bits Dog Treats (moist treat)
  - Nature's Variety Instinct Raw Boost Grain-Free Freeze Dried Minis Dog Treats (various flavors)
  - Fruitables Pumpkin & Cranberry Flavor (hard treat for GI/UT health support); soft & chewy flavors
- Aluminum Spray Bottles: *Use the steam position when using as a correction spray tool. Mouth "Ouch" Correction Sprays. Please only use as directed by a qualified/experienced professional dog trainer!*
  - Grannick's Bitter Apple
  - Synergy Foey Ultra-Bitter Spray: alcohol free, neutral pH
  - NaturVet Bitter Yuck!: alcohol free
  - Organic White Vinegar
- Potty Training Tools: *Keep a potty journal- track feeding, potty, accidents, challenges!*
  - Kennel/Crate: By sure it's size appropriate, where your dog can sit, lay down, stand up, and turn around. Also, please be sure to have an attachable water bowl inside. Tie-down optional.
  - Nature's Miracle: Pet enzyme cleanup
  - Boundary: Helps keep dog out of certain areas
  - Poochie Bells: Potty training aid bells

  - Cabela's Gun Dog GS-8000 Training Collar: ¾ mile range, waterproof and rechargeable, 15 levels of continuous, tone, momentary or vibration

## Grooming:

- Coat:
  - FURminator deShedding tool: Brush for shedding-prone dogs
  - EarthBath Shampoo & Conditioner: All natural, made with coconut-based cleansers. Doesn't strip the dog's coat, but adds nutrients back into the coat; safe to use weekly
  - Tropiclean SPA for Him Pet Shampoo, Lavish Tear Stain Remover: Oatmeal and blueberry scent smells so good; helps white-coats brighten
  - Scentament Spa Botanical Body Splash, Mandarin Jasmine & Honey: It's like doggy cologne, great to brush in coat between baths
  - Nature's Specialties Derma-Dyne Iodine Shampoo: Antibacterial shampoo that aids relief of Ringworm, Hot Spots, Eczema, Acute Seborrhea and other irritations
  - Coconut Oil: Add into the dog's coat/skin for itching relief and a softer, smoother coat; coconut oils contains lauric acid so it's a bonus as an immune booster and can act as a digestion aid
  - Bandana: Help remind yourself not to pet your dog's neck/back with they have their topical parasite preventives on; Also, you can add natural essential oils on it, like lavender which can help calm a dog and act as a bonus natural flea repellent
- Paws/Nails:
  - Cordless Dremel 7700 or newest model: Don't over-charge the batteries
  - Kwik Stop or 21 Century Styptic Powder (cornstarch works too): Have on hand to stop quick from bleeding
- Dental:
  - Tropiclean Fresh Breath, Instant Foam: Freshens breath instantly
  - Kissable Natural Dog Toothpaste and Toothbrush: The toothbrush is 3-sided
- Ears/Eyes:
  - Top Performance SafeEye Professional Eye Protectant: Use before bathing to give a temporary ophthalmic barrier
  - Vet's Best Dog Ear Relief Wash for Dogs: Natural formula, alcohol-free

**First Aid Kit:** *The information below should not take the place of seeking professional veterinarian help when needed. If your dog is having a medical or life-threatening emergency, please call or go into the nearest 24-hour pet hospital near you. (Don't forget your Emergency Binder!)*
